Public Safety Communication Commission

Public Safety Communications Commission
Inter-Operability Executive Committee Meeting
Wheatland, WY

August 4, 2005
Minutes

Attendees:

Billy Janes	Chairman
Mark Harshman	PSCC Commissioner
Kebin Haller	PSCC Commissioner
Dale Pawling	Cheyenne Fire and Rescue
Jim Archerd	Wyoming Homeland Security
Tom Mahon	WyoLink
Ron Pinther	A&I ITD
Robert Symons	PSCC Administrative Support
Andrea Schierwagen	PSCC Intern

Absent:

Russ Christiansen	PSCC Commissioner
Craig Post	Com Tech

Billy Janes, Chairman of the Inter-Operability Executive Committee, called the meeting to order at 10:20 a.m.

The June 2, 2005 minutes were approved with Kebin Haller making a motion and Mark Harshman seconding the motion. The minutes were approved by a voice vote.

Old Business

There was discussion on the draft WyoLink Handbook and the use of word choices. It was decided that policies and procedures would be used as opposed to making rules. This is just a beginning and it was determined it would take more time before this draft document would be complete.

New Business

There was discussion on talkgroups and the best way to handle this issue. Bob Symons will work with Mark Harshman and Dale Pawling to discuss some possibilities in setting up talkgroups. This is all initial discussion and there will be much more discussion and input to follow before something concrete is

decided. Bob Symons will also put together some information for the next meeting on possible regions for talkgroups.

General Business

There was discussion on the dispatch centers, microwave towers, and adding another zone to WyoLink.

Next Meeting

The next meeting of the PSCC Inter-Operability Executive Committee will be held in Casper on September 13, 2005 at 8:00 am in the Student Center at Casper College. Note: The original meeting was scheduled in Cheyenne on September 12, 2005 but was changed when the PSCC meeting was changed to Casper.

Respectfully submitted,

Robert J. Symons
Administrative Support
